

“It takes a whole community, to bring up a child”

Ark Boulton Academy

Dear Parents/Carers,

At Ark Boulton Academy we believe that excellent academic outcomes and a broad curriculum are only part of what helps a young person go on to be successful in further education, training and the world of work. We are committed to providing additional, enriching opportunities for students away from the classroom. We believe that by encouraging students to participate in extra activities, it can add greater value to their school experience and help them to develop essential skills for life, trying new experiences, building friendships, confidence, and resilience and having fun too. To that end, it is an expectation that all students participate one enrichment activity each week.

All Enrichment activities will begin 23rd April 2018. The expectation is that your child attends the enrichment activity they have signed up for.

- A register will be taken in each enrichment session.
- Students are expected to attend the enrichment option they have chosen for the duration of the summer term - this helps build commitment.
- The expectations of the academy code of conduct will apply at all times, including on the way home from the academy.

Thank you for your continued support.

Kind regards,

F Akhtar

Miss Akhtar.
Assistant Principal.
