Dear Parent/Carer,

Revision skills – 9 January 2017 3.15 – 6pm

We are delighted to inform you that we have organised an 'Elevate' seminar for your child to attend on Monday 9th January 2017 from 3.15 to 4.30pm. The seminar will be delivered by an organisation who specialise in creating a study plan for students so that they are prepared for their Summer GCSEs.

The seminar is designed to provide valuable study techniques and strategies to support your child's revision. Presenters will share skills on how to revise and how to retain information.

The second part of the seminar is a 'parents only' event for you to attend so that you are informed about the strategies that can be used at home to reinforce excellent study and revision skills from your child. Presenters will share tips on how to ensure your child is revising thoroughly and preparing notes for different subjects. The event will be held from 17:00 to 18:00 on Monday 9th January and as always we will provide refreshments.

I am sure you will agree that this is a wonderful opportunity and an excellent chance for our students and families to get a head start with their revision. We look forward to your continued support.

I look forward to seeing you at 5pm on the 9 January 2017.

Yours faithfully,

M Bhargav
