

“It takes a whole community, to bring up a child”

Ark Boulton Academy

Monday 5th October 2020

Dear parent/carer,

Year 7 Courage

We are sorry to confirm but a student has tested positive for COVID-19. In line with Department for Education guidance, the clear medical advice is for them to immediately self-isolate at home for at least 10 days from when their symptoms started until they have recovered.

As your child was in ‘close contact’ with the student they will need to remain at home and asked to self-isolate for 14 days from the date that the student presented symptoms. If your child starts to develop symptoms please book in a Coronavirus test immediately, keeping the academy informed of all results. Further information is available at www.nhs.uk/conditions/coronavirus-covid-19/testing-for-coronavirus/

You may be contacted by the NHS test and trace service who will give appropriate advice to those who need it.

We expect your child to return to school on **Monday 19th October 2020** and will contact you closer to the time.

Your child has been advised on how to access learning materials from home, through our Ark Boulton Virtual Academy site. Please encourage your child to use the timetable and complete these lessons so that they do not fall behind whilst at home.

In the meantime, staff are available should you have any questions or concerns and can be reached here info@arkboulton.org

Continue to look after yourselves and one another.

Yours sincerely

H.K.Channa. JP. FCCT
Principal
