

“It takes a whole community, to bring up a child”

Ark Boulton Academy

22nd November 2021

Dear Parents and Carers,

As a community we want our children to safely make the most of the Internet. Throughout the pandemic we have all hopefully benefited from the use of the Internet. However, it is important that we protect our children from online risks.

Ark schools are working with the leading online safety organisation Digital Awareness UK to offer information, advice, and an opportunity to ask any questions through a webinar being held on **Wednesday 24th November 2021 from 12:30-13:00**

The free webinar will explore themes around The Digital World for Secondary Children Post Lockdown and cover topics such as:

- Major trends in how young people are using apps and games
- Critical digital issues to be aware of
- The practical steps you can take to protect your children from online risk and to encourage happy and healthy tech habits

To join the Secondary School webinar on **Wednesday 24th November 2021 from 12:30-13:00** please click link and follow the instructions below:
