

The Wandering Girl

One bright, sunny morning, two girls called Katelyn and Rebecca were eating breakfast; "This is SOOO yummy!" exclaimed Katelyn. "I know right!" mumbled Rebecca with pancake and toast crumbs all around her mouth. Rebecca age 16 and Katelyn also 16 were both best of friends and there was nothing you could do to tear them apart. They both finished their breakfast and went to watch T.V until Katelyn realised the time (8:45am) "Rebecca! we have to goo!!!". "OH MY GOSH, IS THAT THE TIME ALREADY!?!?" shouted Rebecca. The girls rushed out of the door and were running to the closest bus stop. Katelyn was breathing heavily and surprisingly, she managed to run for 15 minutes without tiring. "what's happening over there?", Rebecca calmly asked. "I dunno", "lets go check" demanded Katelyn. "OH MY GOSH KATE, ARE WE REALLY WITNESSING THIS!?!?". Katelyn courageously ran towards the thief and sprinted her sore and weak legs to stop the man. "HEY YOU!, GET BACK HERE!" exclaimed Katelyn. The thief tried to not look back but before he knew it, it was too late; – BANGGGGGG – The man under the black mask ran into the post pole. At last, she caught up with him. She unleashed the man's face covering and saw it was just a kind yet innocent man under there. Unfortunately, Kate hadn't realised how far she had run...

It was a dark, misty and cold night when the wind was blowing stronger than a lion's roar. Rebecca grew worried and started panicking as she thought that this would be the last time she would ever see Kate again; "Oh no...., come on Kate!, where are youuu??". Meanwhile, Katelyn, who was hungry, tired and cold wasn't feeling her best either. " Ohhhhhh, I'm so tireeed!". Katelyn couldn't bare it anymore so she stood up and tried to find her way home but the foggy air was making it difficult to see. Until...she saw light!. "OH, what's that?" She wondered in confusion. Unfortunately, it wasn't what she was thinking. The 'light' was just the lights of the tunnel flickering. "maybe I should go, I mean it has a roof so why not?" said Kate. She bravely followed the lights despite the fog blocking her sight. After walking for more than 5 minutes she finally reached her destination." At last." She sighed with relief. Then walked into the tunnel and found graffiti,"coooooool!!" exclaimed Kate. There came the bickering echo, "Ooooooo, ooooo, oooo!!". She carried on walking and found something even more amazing; a graffiti picture of the neighbourhood," Ok, now that's even more cool!!", to her surprise Katelyn was amazed. Katelyn's mum, Adrianna became twice as worried as Rebecca was. "Oh gosh, where's my baby?!... please tell me she's alive". " Don't worry everything will be fine because I believe in her" said Rebecca in a reassuring way. Meanwhile, Kate who was in the tunnel was checking out the graffiti pictures and was suddenly bitten by something..." OWWWWW!!!, what was that??" . She was bitten by a radioactive spider. Shockingly, a car pulls up to the road that leads to the dark, gloomy yet abandoned tunnel and honks the car so loud that Katelyn's eardrums start ringing. The driver pulls the window down..." Katelyn, come on get in!!". "M-m-mum? ii...is that y-y-you? " *she hesitated.* ' It can't be, how did you know where I was??". "I just tracked your phone!, now get in before it gets even more dark out!". Kate sprints to the car door and gets in. Rebecca, who was also in the car, was asleep. The sun rose and it was time for a new day. Peculiarly, Katelyn, who was fast asleep, was twitching. She was twitching and twitching and twitching. "OH!", she gasped,"oww!, what's in my neck!?" .Then suddenly this was the day where Katelyn, who was an ordinary girl, became a superhero.....
