

“It takes a whole community, to bring up a child”

# Ark Boulton Academy

10<sup>th</sup> April 2019

Dear Student,

You are studying EdExcel Mathematics GCSE. You will need to know this when you access the PiXL maths app for which the school has registered you. This will enable you to practise questions and get them marked immediately. You can watch videos and PowerPoint presentations to further your understanding. You can access the PiXL app on computers, iPads phone etc. You will need to download the appropriate version from your phone's app store.

This resource is in addition to anything that your teacher has provided for you, such as practise papers, not an alternative. Your teacher will be monitoring your use of this app.

On line you can access this app at

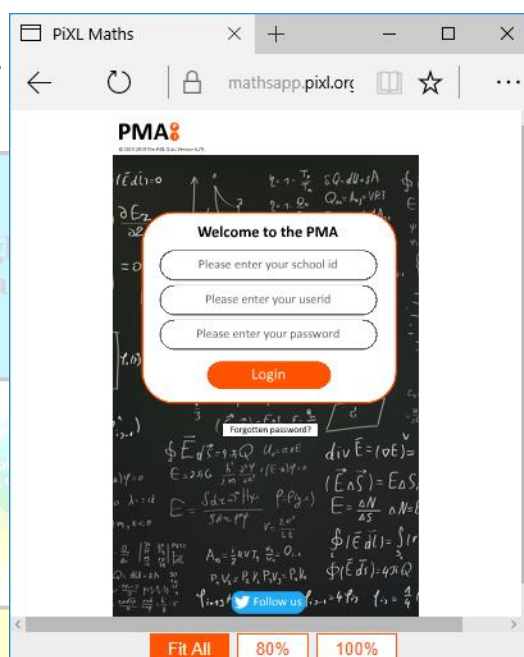

<https://mathsapp.pixl.org.uk/PMA2.html>

Which should look like this

The School ID is **GH1265**

Your username is *username*

Your password is *password*

There are Apps available for English, Geography and History. Your login details are the same as for mathematics, however it may require you to login twice, to confirm you details from the Maths App. You should also be able to access these Apps through your phone, but the online links are:

The English Literature app is available at <https://englishapp.pixl.org.uk/PiXLit2.html>

The Geography app is available at <https://geographyapp.pixl.org.uk/Geography%20App2.html>

The History app is available at <https://historyapp.pixl.org.uk/History%20App2.html>

Please do come see your subject teacher if you have any questions. Do have a good break, but work hard and make the most of opportunities provide for you.

Yours faithfully.

**Dr R A Atkinson**  
**Lead Practitioner Maths**

*Herminder K Channa JP FCCT - Principal*
