

Secondary One Voice Choir

With Camilo Menjura

Online after school
choir club for singers of
all ages and abilities!

Camilo is a versatile award winning musician from Columbia. Apart from his stage work in music & theatre contexts and his constant work as a school workshop leader, Camilo leads several choirs in London. He has won multiple prizes for his work both as a musician and a community leader.

With Camilo and his team of professional musicians, your child will learn new songs, play fun musical games, create new music, and make new friends! This is a great opportunity to be part of a really special community of singers from across the Ark Primary Schools!

Wednesdays | 4:45pm - 5:45pm | Microsoft Teams

To join the next rehearsal, ask your child's teacher for more information. Please read through the Ark Music Online Safeguarding Guidelines before sharing the link with your child.
