

“It takes a whole community, to bring up a child”

# Ark Boulton Academy

4<sup>th</sup> May 2022

Dear Parent/Carers,

As your child's exam period is upon us, I am writing to you to share important information about your child's up-coming exams.

Within this pack, you will find a personalised exam timetable. It is important that you and your child are familiar with their timetable, and I advise this is kept on display within your home to ensure all exams are attended on time and that your child is fully prepared. It is also important that your child uses the exam timetable to help them plan their revising time and so they can manage their time appropriately.

You will also find enclosed information relating to the start and end time of exams, what equipment your child must have for every exam and how it should be presented. We have also included information around the rules and regulations around how your child must conduct themselves before, during and after the exam.

In curriculum time currently, all lessons are focused on ensuring students are preparing for their examinations with revision and exam practise built into every lesson. We have rearranged our form groups in Year 11 to ensure that every child is getting an extra hour per day of tuition for the subject they currently need to focus on the most based on their Spring 2 data. This is a fantastic opportunity for your child to get additional support and we will be contacting families regarding further opportunities to support your child over the next few weeks on the final run up to the exams. It is important that your child attends any additional tuition opportunities that they are invited to.

Whilst at home it is vital that your child is revising using their revision TEAMS page to support them where appropriate. Self-made Cornell notes and flash cards are proven to be one of the most effective forms of revision when used to self-quiz.

Please make sure you and your child read through all the enclosed information carefully. If you have any questions regarding the examination period, please do contact us on: [BOUexams@arkboulton.org](mailto:BOUexams@arkboulton.org)

We wish your child the best of luck with all their upcoming examinations.

Kind regards,

Miss Crawford
